

PERFORMANCE THRESHOLDS FOR SCHOOL GRADES

Changing to an absolute grading system

Under the new system, schools will be assigned a letter grade based on individual merit, not how they compare to other schools in the state. The State Board of Education convened a stakeholder group to set criteria for letter grades.

No more moving targets

The old system required letter grade targets to move up if a certain percentage of schools earn As or Bs. The new system sets “performance thresholds” for each letter grade, giving clarity on how to achieve that grade. There will be no limit on how many schools can achieve an A or B.

C - Typical	65.25	43.5%
D - Developing	53.25	35.5%
F - Critical Needs	<53.25	--
